

Icy Burst™

Callistemon spp 'CNU01' (b)

NATIVE SHRUBS & GROUND COVERS

Naturally narrow growing *Callistemon* with vibrant white bottle brush flowers.

- Icy Burst™ *Callistemon* is a naturally narrow growing fine leaf *Callistemon*.
- It has a narrow upright growth habit and a compact height making it a excellent choice for tight planting areas.
- It produces vibrant white flowers in Spring that contrast beautifully with its dark green foliage.
- It has good frost and drought tolerance once established, and will tolerate full sun to partly shaded positions.
- Great for attracting bees and native birds.
- It is a low maintenance *Callistemon* that requires little to no pruning to maintain its narrow upright form, but can be pruned yearly to encourage a denser habit.
