Super PinkTM

Salvia 'SALO1' (b

LANDSCAPE FLOWERS

Vivid super pink blooms on a compact, dense Salvia.

- Boasts vivid, eye-catching super pink blooms that create a striking visual impact.
- Perfect for confined gardens, this Salvia maintains a neat and tidy appearance in restricted planting areas.
- Abundant foliage forms a dense, full structure, enhancing the overall aesthetic appeal of the plant.
- As tough as most Salvias with similar maintenance, but not as tough or as low maintenance as Intense™ Salvia.

Physical Description	Compact salvia with lush, dense foliage
Planting Density	4 to 6 per square metre
Height & Width	50cm H x 50cm W
